**Need an ITIN?  
We're Here to Help.**

If you're earning income in the United States but don't qualify for a Social Security Number, you'll need an Individual Tax Identification Number (ITIN). A Certifying Acceptance Agent (CAA) is an individual or entity authorized by the IRS to help foreign individuals obtain an ITIN.

As a CAA, E.A. Buck Accounting & Tax Services can provide comprehensive assistance for clients who do not qualify for a Social Security Number but need ITIN services.
